EX LIBRIS

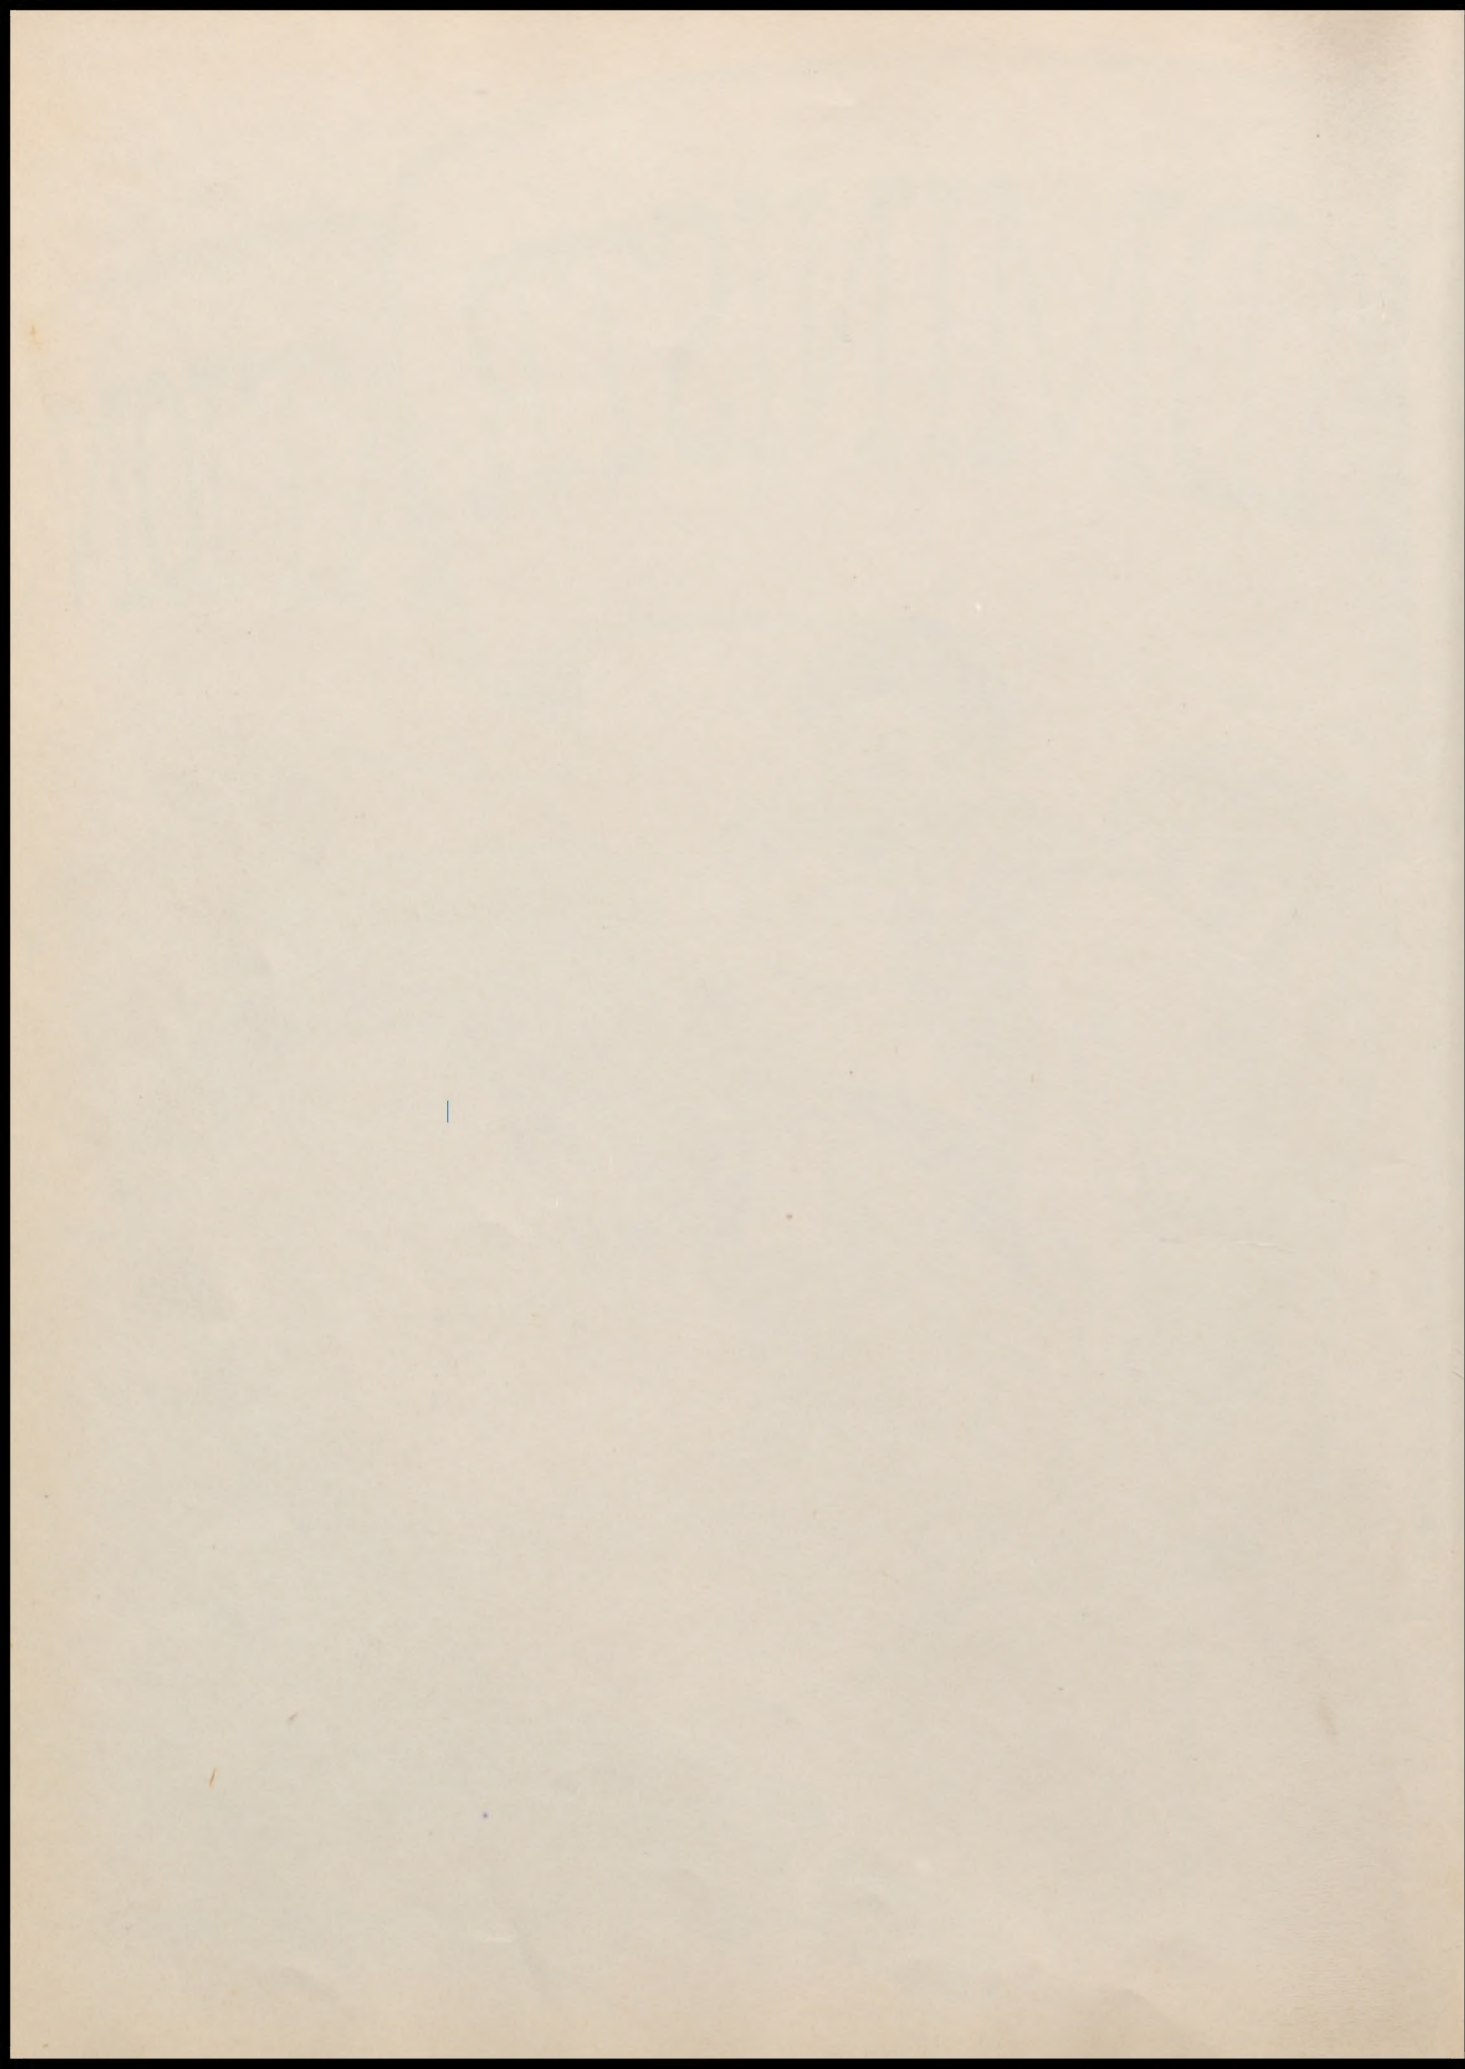

We, the Senior Class of 1952, dedicate this edition of the "K-Echo" to Mr. Glasscock. He has been our sponsor for two years, and has worked for us and with us in all that we have endeavored to do. We feel that this is but a small way to show our appreciation.

HISTORY

Nineteen Freshmen scheduled at K. C. H. S. in September, 1948. They were Marjory Abbott, Raymond Johnson, Betty Crosno, Mary Hildreth, Earlene Mayfield, Bob Humphrey, Jean Cunningham, Jack Greenslate, Esta Jackson, Donald Gardner, Lois Cutright, Harold Rich, Betty Vannoy, Bill Meadows, Jean Morse, Corwin Peterson, Betty Jo Burns, Shirley Abbott, and Geary Reckling.

At the beginning of the year we elected Marjory as president, Raymond as vice president, and Betty was our secretary-treasurer. Corwin and Shirley were chosen to be Student Council representatives and Mary reported our news to the "Highlight". Jack and Raymond participated in baseball; Bill, Raymond, and Jack went out for basketball. We had a musical class--that much is seen from the number of people who were interested in band and chorus. The band members were Marjory, Lois, Mary, Jean M., Bob, and Jean C. Earlene, Marjory, Mary, Jean C., Esta, Bob, and Lois joined the chorus. Corwin, Bob, Bill, and Harold were active in F. F. A. Mrs. Woods sponsored our class.

At the beginning of our second year, our ranks were rather depleted. We had lost five members of our class. Earlene Mayfield moved to Clinton; Betty Vannoy went to Lincoln; Marjory Abbott, Donald Gardner, and Harold Rich dropped out of school. We chose our class officers at the first meeting. Raymond was our president; Betty was the vice-president; Jean C. was elected secretary-treasurer. Shirley and Bob had a voice in the Student Council and Esta was the reporter for the paper. A few more of the boys showed an interest in athletics. Geary, Jack, Raymond, and Corwin went out for baseball and Raymond, Corwin, Geary, and Jack made the basketball team. Bob was the basketball manager. Bill, Corwin, and Bob were members of the F. F. A. A large percentage of our class have shown an increased interest in music, particularly chorus. Chorus members were Betty, Bob, Corwin, Mary, Lois, Shirley, Jean C., and Geary R. Bob, Mary, Jean M., Jean C., Lois, and Shirley played in the band. Mrs. Kemp sponsored our class during the years of '49-'50.

Our Junior year showed another drop in the enrollment of our class. Esta Jackson moved to Seattle, Washington; Geary Reckling went to Clinton; Betty Crosno and Jean Cunningham quit school at the end of their second year. From the ten class members Raymond was elected as president; Bob was vice-president; Jack served as secretary-treasurer. Jack and Bob represented our class in the Student Council. Mary served as reporter to the "Highlight". Bob was chosen to be the assistant editor of the paper and Raymond assisted Oma Webb in editing the annual. Bill was the only class member on the basketball team and Raymond and Corwin served as managers.

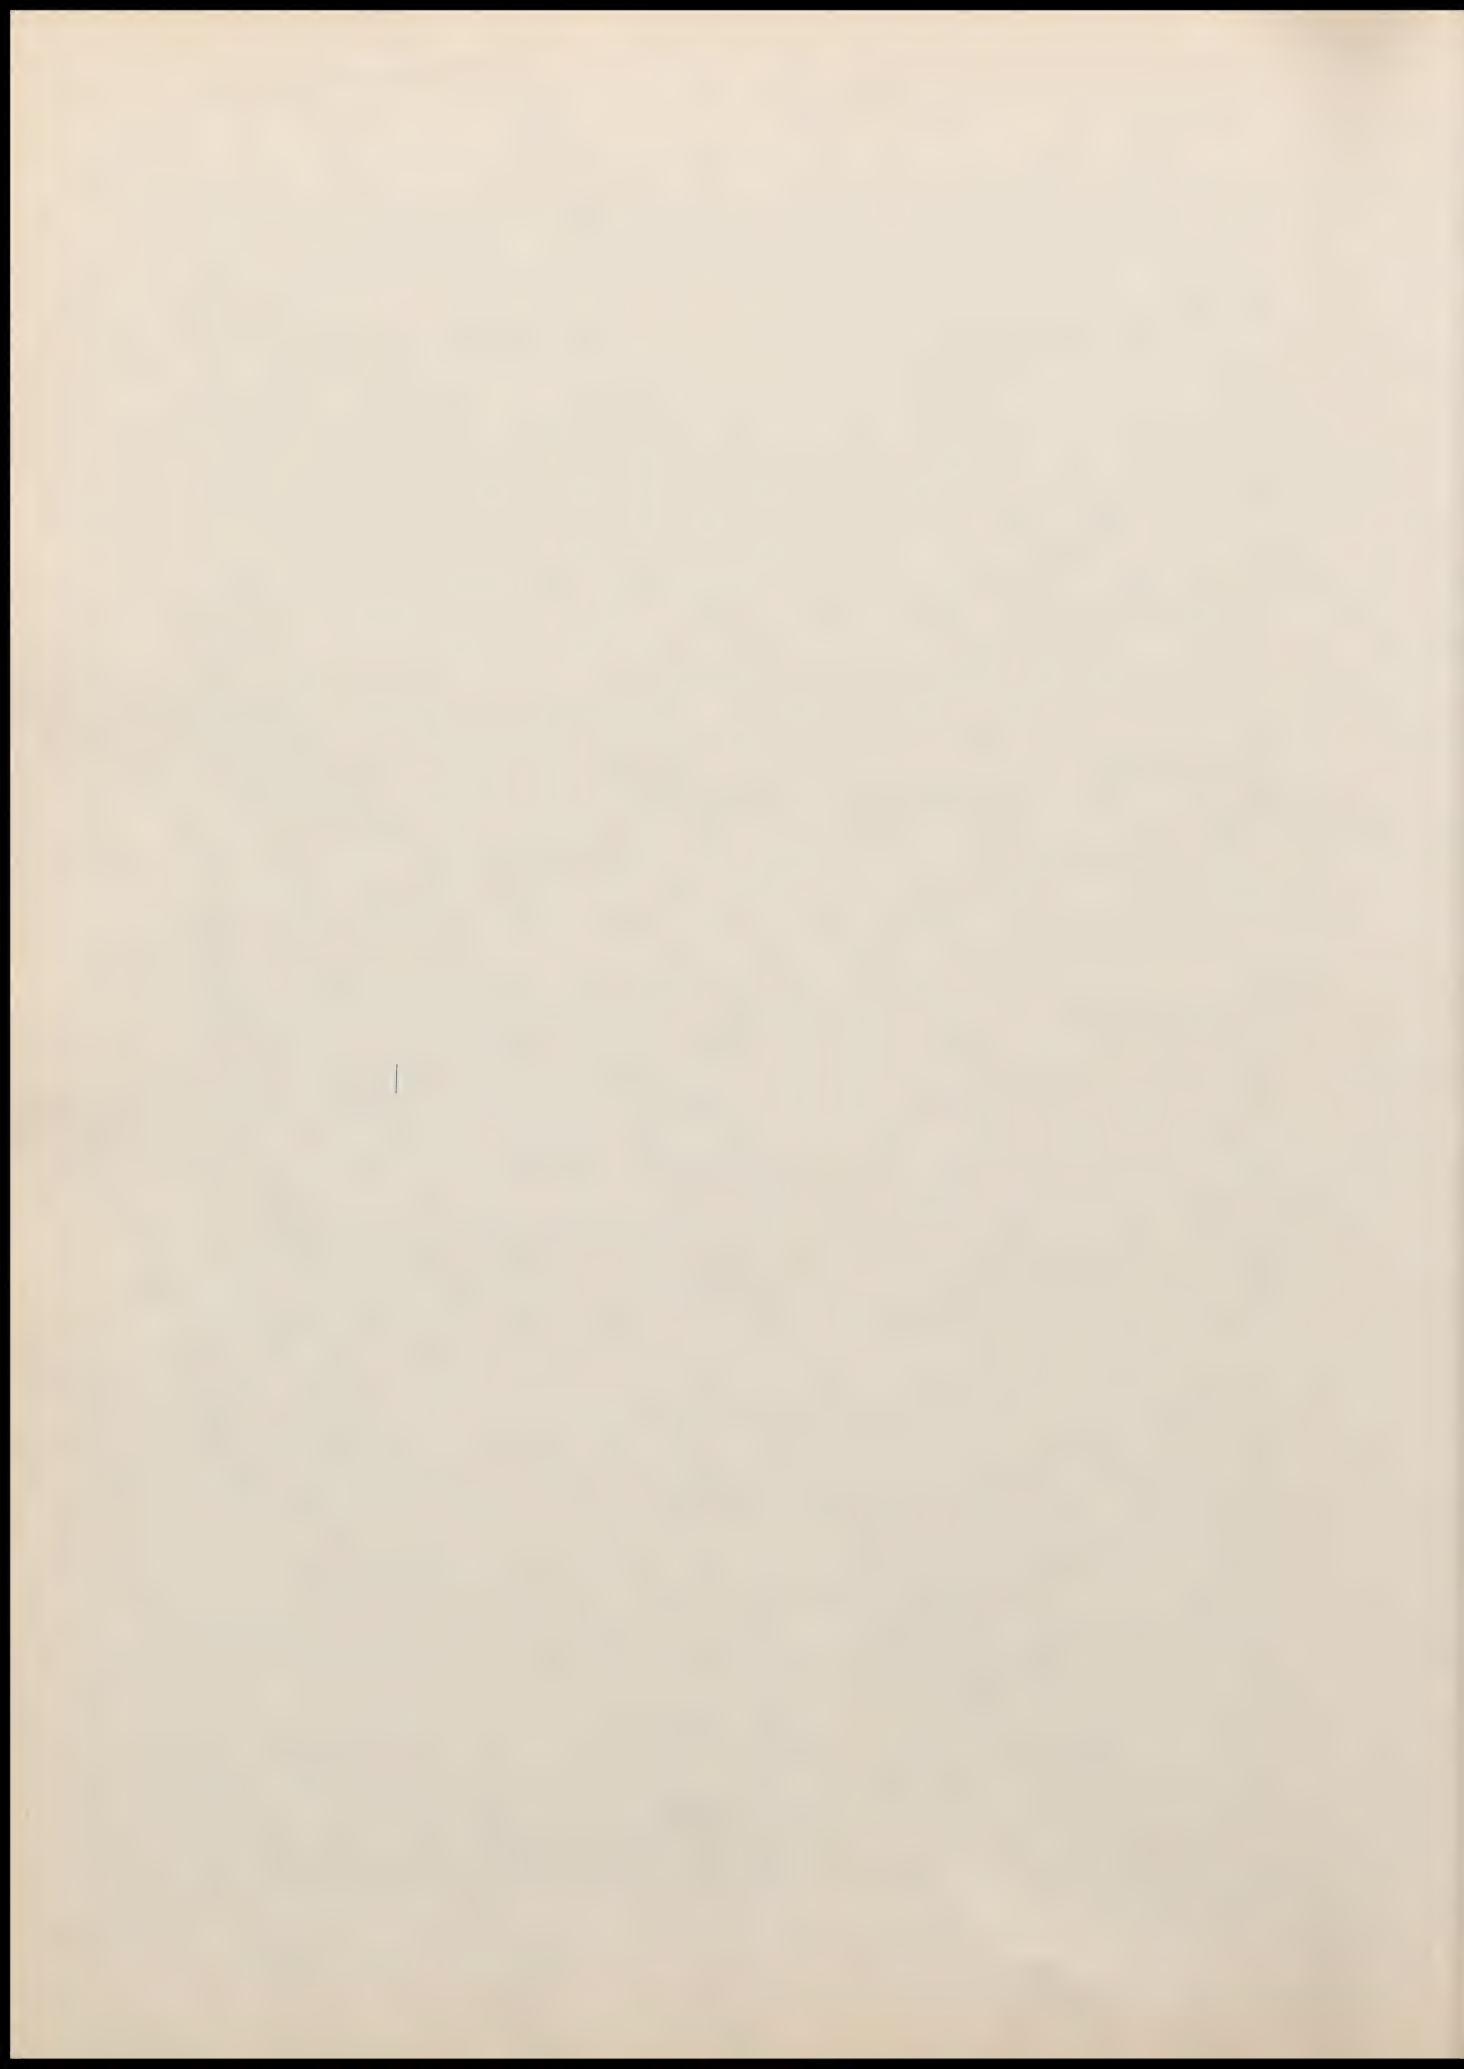

Band members were Bob, Shirley, Mary, Lois; Bob was in the brass sextet which won a first and Mary gave a vocal solo and won a second place rating in the state. Shirley, Jean M., Mary, Bob, Corwin, and Lois sang in the chorus. Mary was president of the F. H. A. in the initial year of its re-organization. Lois, Shirley, Betty Jo, and Jean M. were members of the club. Corwin, Bill, and Bob belonged to the F. F. A.

This was a busy year since we had a prom and a play. The prom committee was composed of Lois, Mary, Corwin, and Bob headed the Committee. The dinner and dance was held at the Hotel St. Nicholas in Springfield on May 5. George Lynn furnished the music for the dance. In November, 1950, the class presented a comedy, "Twixteen". This successful play was under the direction of Mrs. Kemp. Mr. Glasscock sponsored the class.

All previous members were back for their last year at K. C. H. S. Corwin head the class as president; Jack was vice-president; Lois served as secretary-treasurer. Mary and Lois were elected as Student Council members. Bill played center on the first team; in basketball Raymond and Corwin were managers. The "K" Echo and "Highlight" were projects of the entire class. Bob was editor of the "Highlight" and Raymond headed the "K" Echo staff.

Mary entered the state music contest with a vocal solo. Bob and Mary were the only seniors in both band and chorus. Mary was chosen president of the F. H. A. for the second year; Lois, Betty Jo, and Shirley were members of the organization. Bill was elected president of the F. F. A., Bob and Corwin belonged to the F. F. A.

The seniors put on a comedy, "Shiny Nose," under the direction of Martha Lou Baker. It was presented on November 5. Mr. Glasscock was class sponsor.

SENIOR CLASS PHOPHECY

One day while experimenting with an old television set in the lab at K. C. H. S., I discovered the principle for one of the world's greatest inventions of all time. I named my invention the Pre-Dicto-Television. With this marvelous machine we can foresee what is happening in the future for many years ahead. Let us now turn the dial to the year 1962 and learn what the members of the Senior Class of 1952 are doing--1960--1961--1962--Here it is! The picture is beginning to come in now.

The first thing we see on the screen is what appears to be a great snow fall. At first I think my invention is not a success but I find out the snow fall is only electrical interference from Raymond Johnson's electrical shop across the street. After he graduated from high school, "Bud" took an electrical engineering course at the University of Illinois. He completed four years work in twenty-seven months and graduated with very high honors. He is now chief electrical engineer at the U. of I. and is working on a very important invention in his shop. He isn't at liberty to tell us what it is going to be.

Mary Hildreth, we see, has made a name for herself in the opera, "Carmen", at the Metropolitan Opera House in New York City. Following her graduation from K. H. S., she attended college. Her music instructor convinced her that she would further her study in music. The entire world now knows the name, Mary Hildreth, when it hears it.

Here's Bill Meadows. He is the owner of the biggest dairy farm in the United States. His farm is located in Northern Wisconsin and he sells approximately 600,000 pounds of milk per year from his large herd of registered Holsteins. As a sideline and hobby he raises taffy-colored Cocker Spaniel dogs.

Next we visit the great Burns Memorial Hospital in Chicago, Illinois where Betty Jo Burns, the chief surgeon, has just removed the appendix from one of Bill Meadow's blue-ribbon taffy-colored Cocker Spaniels. However, we cannot tell whether the operation will be successful.

Assisting Miss Burns at the operating table is Miss Wilma Jean Morse, one of the nation's leading surgical nurses. She has been with

the Burns Memorial Hospital since she graduated from Nurses Training at the Decatur-Macon County Hospital in Decatur, Illinois.

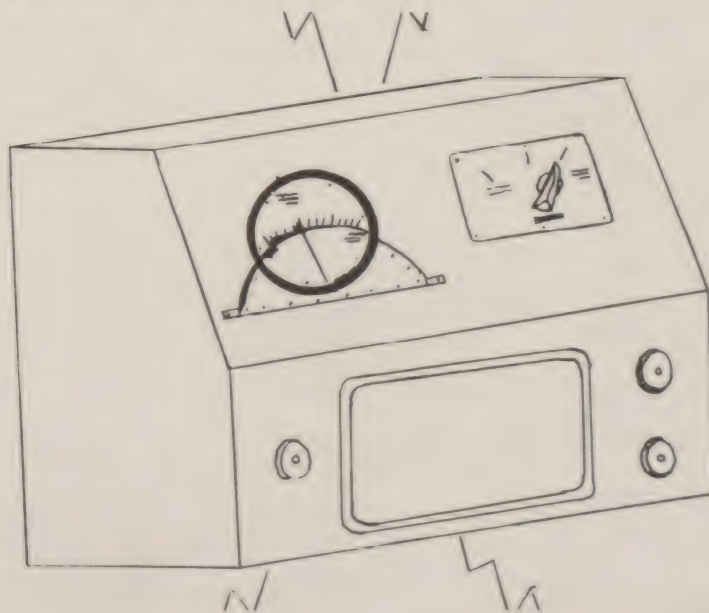

We see that Admiral Corwin Peterson of the United States Navy has just been demoted to 2nd Lieutenant because of disorderly conduct in a brawl in downtown San Diego. Same old "Corky"; hasn't changed a bit, has he?

Jack Greenslate is almost on the top rung of the ladder of success. He is private secretary to Henry Ford Jr.; owner of the Ford Motor Company. We see him every few months in Kenney in his new Lincoln convertible. When asked why he doesn't drive a Ford, he said he wanted a smaller car.

In Washington D. C., we see Shirley Abbott as the first woman President of the United States. She is seated behind her desk at the White House and is very busy with her secretaries and advisers.

The next scene is in a happy home in Los Angeles, California, where Mrs. Lois Summers is the happy mother of seven children. Lois's husband, George, is a captain in the United States Air Force. Lois and George are firm believers in the theory, "cheaper by the dozen."

As for me, after making several million dollars on my invention, I invested some dirty \$500 bills in stock in the Union Pacific Railroad and am now sole owner of the greatest railroad in the country. As a matter of fact, Robert Humphrey has made enough of that green stuff to live comfortably the rest of his life.

Sponsored by TRUMMEL'S, SPURGEON'S, and LUNDH'S of Clinton, Illinois.

"SHINY NOSE"

"Shiny Nose", a comedy in three acts, was presented by the Seniors on November 9, 1951, in the gymnasium. The play was directed by Miss Martha Lou Baker.

Janey, "Shiny Nose" (Jean Morse) is primping for the most important date of her love-life. Apparently, Janey's parents (Bob Humphrey and Lois Summers) decide that Janey is too young to "go steady." And issue an ultimatum that this is to be the last date with handsome George Anderson (Corwin Peterson). When Janey begs them to reconsider, they say she is being too romantic and has been seeing too many movies. Janey drags her younger sister, Zip (Betty Jo Burns), away from her swing records to help her plan a last impression on George that will endure a long time. Meanwhile, Helen (Mary Hildreth) tricks George into going to the dance with her, and Janey makes her grand entrance with no one to see it. Janey then gets an ex-boyfriend, Allen Rogers (Raymond Johnson), of Helen's and in a hilarious scene tries to make George jealous. This backfires with a bang and everything has gone wrong.

As a possible solution to her problem, Janey decides to run away from home. She doesn't get the result which she plans for no one seems to care whether she goes or stays, not even her mother or dad. She is in a worse fix than she was before. Helen realizes that Allen is a good "catch" and that Janey and George are really in love. Zip and her friend, Peggy (Shirley Abbott), return to their swing records. Allen agrees to forget about Madge (Myrna Cunningham) and Janey and George are "engaged to be engaged." George can return to the life of a football hero. These final happy twists bring down the curtain on an enjoyable play. In addition to the other characters, Bill Meadows plays the part of the coach and Jack Greenslate served as stage manager.

"ONE TOO MANY"

"One Too Many," a three act comedy farce by Ray Bowman, was chosen by the Juniors for their class play.

The plot concerns a varied group of characters at the winter resort, Cactus Springs, in southern Arizona. The manager, a young college graduate (Sonny Robinson), suddenly finds the peaceful atmosphere of his ranch upset by a barrage of laugh-provoking problems involving his guests. The fun plot is given many complications by a henpecked husband (Duane Glenn), his dictatorial wife (Anna Mae Spencer), a love-sick daughter (Marlyn Miller), her laughable and lovable admirer named Dudley Adam Brackenberger (Darrell Clifton), and a clever young lady who plays it dumb for a purpose (Beverly Meadows). The action is kept at a high pace by the antic of a high school boy (Duane Aughenbaugh) with his jet propelled scooter, the troubles of Sam Finch who is a near-sighted bachelor (Gary Rybolt), and the work-dodging efforts of Pancho (Mike Gash). Pancho is a man of all work?? The amateur artist (Myrna Cunningham) who is a guest at the ranch and the Irish cook and housekeeper (Mary Cutright) add to the fun.

The climax of the play is when Bill Crane, manager of the resort, agrees to a double-date with Sam Finch, a near-sighted bachelor and prospective buyer of the ranch. Bill finds it impossible to get girls and masquerades his cousin as a "gorgeous blonde" and himself as a "dazzling brunette". Finch tries to kiss Crane and notices his whiskers. He knows he has been tricked and in getting back to the house, is kicked by a pony. To his joy, his sight has been restored.

The play, under the direction of Mrs. Alma Kemp, was presented to an appreciative audience on Friday evening, March 28, at eight o'clock.

The year for the F. H. A. officially started October 24, 1951, with the installation of new officers. Luann Waddell, Warrensburg, was installing officer. New officers were:

President	Mary Hildreth
Vice President	Marlyn Miller
Secretary	Janie Abbott
Treasurer	Mary Cutright
Reporter	Beverly Meadows
Parliamentarian	Betty Jo Burns
Historian	Barbara Cutright
Degrees Chairman	Doris Menapace
Projects Chairman	Lois Summers
Chapter Mothers	Mrs. C. E. Smith
	Miss Martha Baker
	Miss Melba Baker

Sponsor

Under the sponsorship of Mrs. Arlene Whitlatch, the officers went to Atwood, October 20, for the House of Delegates meeting. Children's clothing was sent to Korea in October through the World Christmas Festival. On December 19, the chapter decorated the assembly in keeping with the Christmas season. Following the decorating, a party was held in the Home Economics room with apples, pop corn balls, homemade candies and soda being served. December 20, the Chapter Mothers entertained the group with a tea held at Mrs. Smith's house. Punch and sprits, decorated with Christmas candies were served.

After Mrs. Whitlatch's resignation at the end of the first semester, Miss Melba Baker, a graduate of Eastern State Teachers College, assumed responsibilities as our sponsor for the rest of the year.

The F. H. A. served at the F. F. A. banquet held February 22, in the gym. The Home Ec. classes planned and cooked the meal, and the F.F.A. chapter served it.

March 14, a St. Patrick's Day all-school dance was held in the shop. The Warrensburg F. F. A. and F. H. A. chapters were invited to attend the party.

On March 1, the girls with Miss Baker, went to Weldon Junior High School for the annual spring rally.

F. F. A.

Our group of boys started the year by going on a camping, fishing, and sight-seeing trip into Northern Michigan. We got a cabin and cooked our own meals for a week. We had some good blueberry pies which the boys made, with little assistance. On our way home we stopped in Detroit and went through the Ford Motor Company Plant. To conclude our trip we went into Canada.

In October, Duane Aughenbaugh, Robert Humphrey, and Darrell Clifton went by train to Kansas City to attend the National Convention. They heard many interesting speeches while there, but the most interesting was the talk on F. F. J., Future Farmers of Japan. They have as many members as we do because the girls belong to their organization. They went through the General Motors Plant and saw many other entertaining sights.

We have spent much of our time trying new and different varieties of wheat on the F. F. A. ground. Last year we planted Pawnee and Royal wheat. The Pawnee was shorter and thicker while the Royal was tall and about five days later than the Pawnee. The harvest of wheat which yielded 110 bushels or about 31 bushels to the acre for a total income \$369.41. As we had a poor stand of clover, we plowed it under and sowed Westar and Pawnee wheat. In the fall we put 200 pounds of 3-12-12 per acre and in the spring we put on 1,000 pounds of ammonia nitrate. The ammonia nitrate gave us our increase in yield more than any of the other fertilizers.

The Annual Parent and Son Banquet was held in the High School Gym., February 22, 1952. The F. H. A. girls very capably cooked and served our meal. There was 40 guests and 10 members there. Duane Aughenbaugh gave a report on the Kansas City trip; Bill Meadows gave a report on the school ground. After John Brady's talk on our summer trip, the group saw movies.

BAND and CHORUS

The music department of K. H. S. enjoyed a very successful year, despite the fact they had three instructors.

Under the direction of Mr. George, the band and chorus participated in the Second Annual De Witt County Music Festival, February 6, held at Clinton, Illinois. They were a part of 400 music students in the county who composed the 240 piece band and 300-voice chorus.
